

Tuggeranong Tornadoes Little Athletics

Covid-19 Information and Contact Tracing

Please remember to wash your hands regularly, especially when arriving and before and after events. This season athletes and caregivers will need to look after their own water bottles. Equipment needs to be wiped down after each event – your assistance with this is greatly appreciated.

As per ACT Government Guidelines to allow contact tracing for Covid-19, please scan the QR code (using a smart phone camera or QR Code reader app) below and provide your details on the webform. Your data will be stored securely and we will only use it to contact you in the instance of a positive case of Covid-19. Your data will only be kept for 28 days in line with Government requirements.

Note that each adult will need to check-in every week they attend Little Athletics.

Thank you for your help to make Little Athletics safe and enjoyable for all the athletes and their families.
